<td>Direct Behavior Rating (DBR)</td>
<td>DBR completed daily by teacher or other school staff (e.g., reading specialist, social worker) during daily observation periods (e.g., core instruction during English language arts). The completed DBR is shared with parents who are asked to sign the form each day. DBR will be used to monitor academic engagement, respect, and disruption. At the conclusion of each observation period, the teacher uses the provided scale to indicate the degree to which the student displayed each behavior. The teacher meets briefly with the student to share the teacher’s DBR rating. Home-school communication procedures are established (e.g., student takes a paper copy or email to parent or caregiver each day). The DBR is then signed and returned to the teacher, or parent/caregiver replies to the email.</td>
