What are some practical strategies that work? To Register:</i> https://kansasedu.qualtrics.com/jfe/form/SV_dmM6Q0RDFYxg37n</p>

We are pleased to offer the following **2-hour stand-alone professional learning opportunities** during the 2018-19 school year. This professional development series is offered at **no charge** to all pre-kindergarten through twelfth-grade teachers, administrators, related service providers, paraprofessionals, and parents interested in **learning more about proactive, systematic methods** of looking for and supporting students who might require additional assistance to experience success in schools. Each session provides stand-alone information **to build knowledge, skill sets, and confidence** in developing structures and practices to support the design, implementation, and evaluation of Ci3T models of prevention. See also: ci3t.org/pl for registration links and more professional learning resources.
