What are some practical plans for maintaining positive, productive, joyful school experiences? Click <a href="#">here</a> to register.

We are pleased to offer the following 2-hour stand-alone professional learning opportunities during the 2019-2020 school year. Sessions feature content to support high-quality, systems-level implementation as well as practical strategies to support attendees exploring and implementing Comprehensive, Integrated, Three-tiered (Ci3T) Models of prevention in their schools. **Each session provides stand-alone information to build knowledge, skill sets, and confidence in developing structures and practices to support the design, implementation, and evaluation of Ci3T models of prevention.** These professional learning sessions are offered at no charge to all preK-12 Ci3T Leadership Team members, teachers, administrators, related service providers, paraprofessionals, and parents interested in learning more about proactive, systematic methods of looking for and supporting students who might require additional assistance beyond Tier 1 to experience success in schools. See also: [ci3t.org/pl](http://ci3t.org/pl) for registration links and additional professional learning resources.
