

# Ci3T Student Session 5 Materials Needed

- Agenda on large sticky poster paper
- Sample implementation materials binder
- Student expectations for the 2-hr session on large sticky poster paper so students know how to meet expectations and earn tickets
- Student Ci3T tickets
- Ticket collection container
- Reinforcers for students to choose from when tickets are drawn, at least one per student
  - Consider school “spirit wear” clothing items from each school, or items currently interesting/popular to students – school supplies are great options
- Markers (red and blue or any two colors) for each student for expectation matrix activity
- Reinforcement menu from Session 3 (list of free and cost options)
- Pens
- Construction paper
- All different sizes white paper
- Scissors
- Glue sticks
- Tape
- Markers
- Trash bag
- Recycle bag for paper scraps
- Folder for each school with clipart inside
- Large sticky poster paper
- Postcard template printed and cut (to show address and stamp placement)
- Cardstock cut into postcard size
- Tier 2 Cards with questions about available school supports
  - One set per school

## Exemplars of (sample implementation materials binder)

- Ci3T expectation matrix bookmarks
- Ci3T setting expectation bookmarks (e.g., bus, cafeteria)
- Ci3T setting expectation posters
- Ci3T tickets

## School specific materials

- Printed clipart applicable for each setting, plus school mascots, building, logo etc.
- Most current expectation matrix from each school
