

# INSTRUCTIONAL CHOICE

## IN A VIRTUAL LEARNING ENVIRONMENT

Watch a brief introduction and check out the updated video for virtual learning environments!

1

Determine which types of choices you would feel comfortable offering in the virtual classroom and create a menu of choices.

2

Use the menu to determine which type of choices to add to a particular virtual lesson.

3

After choice is built into the virtual lesson, offer the established choices.

4

Ask the student to make their choice.

5

Provide wait time for the student to select their choice.

6

Listen to or observe the student's selection.

7

Prompt the student to make a choice from the available options if they have not made a choice within the time allotted.

8

Reinforce the student's choice and provide them with the option they selected.

9

Offer students an opportunity to give feedback on the choice they selected.
