

# What do you do well in Tier 1 efforts to prevent students from escalating behavior?

Discuss – and make plans!

- Consider what supports are in place for academic, behavioral, and social domains.
- What low-intensity strategies are currently in place? (see [ci3t.org/pl](http://ci3t.org/pl))

# Discuss!

...and make plans!

- For which phases are you most knowledgeable?
- What strategies do you feel comfortable implementing?
- What professional learning avenues would be useful for building knowledge and confidence?
