

FD# 8

Systematic Screening: Practicalities & Considerations

Discussion Leaders:
 Kathleen Lynne Lane, University of Kansas
 Rebecca Sherod, University of Kansas
 Wendy Peia Oakes, Arizona State University

1

Purpose

We will facilitate a discussion about practicalities and considerations for systematic screening. At a time when supporting student's emotional well being is critical for all preK-12 educators, systematic screening efforts are at the forefront of the conversation. We will discuss lessons learned and resources from pbis.org

2

Discussion Starter Questions

1. Why are Tier 1 screening practices particularly important in this Post-pandemic era?
2. How do we select and install systematic screening tools with integrity and use data to inform instruction?
3. How do we communicate with families about systematic screening efforts?
