

SAMPLE Middle School Ci3T Tier 1 Plan

Mission Statement	Our school and district are dedicated to providing an intellectually stimulating and safe learning environment for all students to build self-confidence and self-regulation through academic, behavioral, and social development in preparation for entering the greater community with awareness and responsibility.
Purpose Statement	The purpose of our Ci3T primary (Tier 1) prevention plan is to: • Provide consistent language for all faculty, staff, administration, students, and parents to use in the development of academic, behavioral, and social competencies. • Provide a clear blueprint of expectations and responsibilities for the success of all stakeholders, including procedures for teaching the plan, reinforcing the plan, and monitoring the success of the plan. • Plan for consistent, scheduled, systematic data collection to inform and drive decisions related to students who need additional support beyond the primary (Tier 1) plan. • Promote a proactive, positive, supportive school climate.
School-Wide Expectations	1. Show Respect 2. Be Responsible 3. Give Best Effort <i>See behavior expectation matrix for detailed behavior expectations in various school settings</i>

Area I: Academics Responsibilities	Area II: Behavior Responsibilities	Area III: Social Skills Responsibilities
Students will: • Come to school every day and stay all day • Bring necessary materials to class • Use a 3-ring binder and calendar/ planner to stay	Students will: • Demonstrate expectations from the Expectation Matrix • Report unsafe behaviors	Students will: • Participate in <i>Connect with Kids™</i> (Connect with Kids Network, 2016) lessons and discussions

Updated: 6/10/2026

Lane, K. L., Oakes, W. P., Royer, D. J., & Cantwell, E. D. (2026). Designing and installing Comprehensive, Integrated, Three-tiered (Ci3T) models of prevention: A practical guide to supporting school success (2nd ed.). Author. Copyright © 2016-2026. organized • Attempt every task and turn in completed work on time • Give best effort on all assignments • Make up work when absent • Turn in all assignment		• Demonstrate appropriate social interactions with peers and adults
Area I: Academics Responsibilities	Area II: Behavior Responsibilities	Area III: Social Skills Responsibilities
Faculty and Staff: Teach core programs according to district and state standards with fidelity: • Teach district approved curricula • Update online gradebook weekly • Differentiate instruction • Create and teach lesson plans that follow the effective elements of essential instruction: anticipatory set, daily objective, direct instruction, modeling, guided practice, and independent practice • Accommodate students who have unique learning needs • Provide instructional support to students who missed instruction • Use proactive evidence-based low- intensity	Faculty and Staff: Implement the Positive Behavioral Interventions and Supports (PBIS) with fidelity. • Teach, model (with students and staff), and reinforce the behavior expectations • Implement positive behavioral interventions and supports (PBIS; OSEP-TAC; see pbis.org) • Teach expectations informally each day through modeling and reinforcing; reteach formally according to master calendar • Give PBIS tickets, paired with behavior-specific praise, to students meeting expectations • Use a positive response when expectations are not met, with the goal of keeping students in the classroom engaged in learning: ○ Show empathy ○ Maintain flow of instruction ○ Acknowledge other students	Faculty and Staff: Teach schoolwide social skills/ character education curricula with fidelity: • Teach <i>Connect with Kids</i>™ with fidelity, 3-4 times per month for approximately 20 minutes during Advisory period • Keep track of <i>Connect with Kids</i>™ implementation fidelity (lessons taught, minutes, etc.), record on school level data collection sheet • Foster and model positive teacher to teacher, teacher to student, and teacher to parent social interactions • Provide behavior-specific praise paired with PBIS tickets to students demonstrating expected social skills as taught

academic behavior at home • Support any academic interventions with similar procedures at home • Schedule student appointments (e.g., doctor, dentist) outside of school hours	• Model positive, prosocial behaviors with adults and children	• Communicate early with teachers when social skills concerns arise
Area I: Academics Responsibilities	Area II: Behavior Responsibilities	Area III: Social Skills Responsibilities
Administrators will: • Plan and provide professional learning with input from staff, featuring staff strengths • Provide fair, timely, and constructive feedback to staff • Organize and provide school-wide data to staff 3-4 times per year • Provide time for staff to review and discuss school-wide data • Provide time for faculty and staff to use data to determine secondary (Tier 2) and tertiary (Tier 3) intervention (see Intervention Grids) needs for students	Administrators will: • Consistently implement the school-wide primary prevention plan, including the reactive plan components • Model and reinforce behavior expectations with adults and students • Reinforce teachers for teaching, reinforcing, and monitoring student behavior • Attend various team meetings periodically to ensure fidelity and assess needs for resources and professional learning	Administrators will: • Monitor treatment integrity for consistent implementation of <i>Connect with Kids™</i> lessons by all classroom teachers • Provide necessary resources • Model and reinforce positive respectful social interactions with adults and students

Procedures for Teaching the Ci3T Plan to:

Faculty and Staff:

- Professional learning days in August and January for ALL faculty and staff: large and small breakout meetings, with attention to academic, behavior, and social domains
- Monthly professional learning at staff meetings on Tier 2 and Tier 3 strategies for academics, behavior, and social skills
- Ci3T Implementation Manual posted on the school website, shared teacher drive, and provided in paper copy
- Training for new staff: video to watch, Ci3T Implementation Manual to reference, meet with principal and Ci3T Leadership Team leader
- Substitute teacher packet with video link, behavior **Expectation Matrix**, Ci3T bookmarks, tickets
- Invite faculty and staff to help assess and provide needed professional learning
- Behavior expectation posters in all settings
- Ci3T bookmarks for bus drivers, cafeteria staff, office staff, custodial staff, volunteers, substitute teachers
- Provide district professional learning opportunities for Ci3T related topics in academic, behavior, and social domains

Students:

- Beginning of year kick-off assembly
 - Hand out PBIS tickets first day to all students
 - Introduce behavior expectations and the **Expectation Matrix** to students at assembly
 - Student/staff videos and skits with examples and non-examples of expected behaviors
 - Students fill out ticket with all information and enter drawings to occur at the assembly
- Teachers review procedures in each classroom (e.g., how to learn about missing assignments, where to turn in homework, access to online instructional and social skill supports)
- Behavior expectation posters with specific expectations posted in each area (e.g., hallway expectations posted in all hallways)
- Student council and student ambassador clubs make videos for morning announcement broadcast, showing expected behaviors for each setting
- Teacher lessons (e.g., PowerPoint) on each setting's expectations with opportunities for students to practice will be taught every day for the first two weeks of school, as well as at key time points throughout the year (e.g., before and after holiday breaks)

Lane, K. L., Oakes, W. P., Royer, D. J., & Cantwell, E. D. (2026). Designing and installing Comprehensive, Integrated, Three-tiered (Ci3T) models of prevention: A practical guide to supporting school success (2nd ed.). Author. Copyright © 2016-2026. Permission granted to photocopy for personal and educational use with attribution. All rights reserved. For additional information, see Lane, Menzies, Oakes, and Kalberg (2020)

Parents/Community:

- Parent brochure explaining Ci3T, with full behavior **Expectation Matrix** and example PBIS tickets
- Dedicated Ci3T section in newsletter reviewing current social skills being taught and other highlights (e.g., upcoming assemblies, spotlight on a teacher's use of PBIS in his or her classroom, academic initiatives)
- Back to school night parent presentations with the Ci3T Implementation Manual shared
- Quarterly parent informational sessions at parent meetings or events
- Refrigerator magnets with school-wide behavior expectations
- Bookmark with Ci3T basics and full behavior **Expectation Matrix**

Procedures for Reinforcing

Faculty and Staff:

- Recognize staff who are implementing Ci3T components for academic, behavior, and social domains with fidelity
 - Behavior-specific praise from administration (building walk-throughs) and colleagues, verbal and written notes
 - “Shout-outs” on school announcements
 - When students win a drawing, staff member whose name is on the PBIS ticket is also rewarded with a prize
 - Ci3T preferred parking spot
 - Coffee and donuts
 - Arrival/dismissal monitoring duty covered by administration
 - Casual dress day on a non-Friday
- Extra planning period (administration covers class)

Students:

- Provide choice of reward, as what is reinforcing to one student may be punishment to another (e.g., public praise)
- Input from student leadership groups on possible rewards to make available to all students
- Reinforcement survey given to all students once per year (lead by student council)
- Behavior-specific praise paired with a PBIS ticket when expectations are met in any setting and not just by classroom teachers
- Postcards home to parents with behavior-specific praise when expectations are met
- Rewards given in pairs so student can select a friend to have:
 - Front of the lunch line passes
 - Lunch with the principal, faculty, or staff member of choice
 - Time with therapy dog
- Individual or group rewards:
 - Small weekly and large monthly prize drawings via raffle
 - Monthly school-wide assembly, faire style, where tickets purchase food, games, prizes, photo booths, and more
 - Student store where tickets can purchase school supplies, healthy snacks, and small prizes
 - Teachers can have classroom stores where students can purchase school supplies and privileges
 - Teachers use tickets to facilitate classroom procedures (run an errand, first to be dismissed, sit in teacher chair, sit on medicine / exercise ball, work on floor, pick a preferred work partner, answer questions, be teacher for minutes, etc.)

Middle School Consequence-Based Reactive Plan

All staff will use an instructional approach to behavior. This includes teaching, reminding, and reinforcing expected behaviors, and using the 6-step instructional approach to respond to teachable moments as well as minor and major behaviors.

1. Show empathy
2. Maintain flow of instruction
3. Acknowledge other students meeting expectations
4. Redirect and Reteach expected behavior
5. Allow time and space
6. Recognize/reinforce appropriate behavior when demonstrated

Ci3T Tier 2 Intervention Grid

Support	Description	School-wide Data: Entry Criteria	Data to Monitor Progress	Exit Criteria
READ 180® (Hasselbring & Going, 1999)	50-min reading instructional block during study hall period (small group up to 5) and 20 min daily computer-based practice in computer lab. Instructional block includes explicit instruction in academic vocabulary, comprehension and academic writing (organized in 4 – 6 week workshops). Practice includes high interest options for students to select. Instruction is taught by a teacher with training in the READ 180 curriculum.	Academic ☐ AIMSweb intensive or strategic level (reading) ☐ State assessment at basic or below basic level (English language arts)	Student measures • Self-management of progress to monitor and track their growth toward Read 180 goal. • Read 180 progress monitoring probes • Attendance Social validity • Teacher: IRP-15 • Student: CIRP Treatment integrity • Treatment integrity checklist • Online monitoring of time in practice.	☐ Completion of workshop <i>and</i> ☐ AIMSweb reading probes (3 consecutive probes) at or above the aim line
Fast ForWord® reading (Merzenich et al., 2000)	Fast ForWord® is a computer-based reading program that focuses on bringing students up to grade level in all areas of reading (phonological awareness, language structures, sound- letter associations, word recognition, vocabulary, and comprehension) with a	Behavior ☐ SRSS-E7 score: Moderate (4-8) <i>or</i> ☐ SRSS-E7 score: High (9-21) <i>or</i> ☐ 2 or more tardies / absences in a quarter ___ AND ___ OR Academic ☐ Course failure: 1 or	Student measures • Informal reading inventories • Reading curriculum-based measures • Attendance and tardies Social validity • Teacher: IRP-15 • Student: CIRP	☐ Reading decoding, fluency, and comprehension scores at grade level <i>and</i> ☐ Completion of class (one semester in
